

# Watching & Ready Column (Matthew 24:42-44)

“Now learn this parable from the fig tree: When its branch has already become tender, and puts forth leaves, you know that summer is near. So you also, when you see these things happening, know that it is near; at the doors.” Mark 13:28-29

### A new column?

For those of us who are Believers, we need to be stirred with reminders (2 Pet. 1:13), as well as also partaking in some meat (Heb. 5:14). Just how many columns will be written? The Lord knows, but it seemed good to also begin to place some material on the website for the feeding of His ‘sheep’ (John 21:27).

### AWS College???

Well the Lord has turned my attention to ‘college’, but so far it has not been what I have thought. My original intent was to go through Bible college material that was purchased from Way of Life ([wayoflife.org](http://wayoflife.org)), but so far, this doesn’t quite seem to be the direction to go, at the moment (Pr. 3:6).

What has been happening is an ‘education’ of reading books, including textbooks! This is what is certainly useful at the moment and will be the background understanding for much of the writing contained in this column.

### The Moon and the Sun

Speaking of ‘textbooks’, here is an interesting thing to consider. Have you ever noticed that when an eclipse happens, the sun will ‘completely’ disappear behind the moon, essentially ‘fitting’ perfectly? Well this is God’s design to the planet that God Created and was given to us to use (Gen. 1-2).

The sun is 400 times larger than the moon, but the moon is 400 times closer to the earth, therefore, we have the ‘signs and seasons’ spoken to us from God being one fulfillment in these eclipses (Gen. 1:14).

A bit more, our moon is one of the largest ones, not a common thing, and if the earth were a bit closer to the

sun or further away, life as we know it would not be possible. God is great and His Word is true! (Rom. 3:4)

“Behold, I send you out as sheep in the midst of wolves. Therefore be wise as serpents and harmless as doves.”  
Mark 10:16

### AI

While we as Believers certainly have liberty to use the latest technology, we must consider and consider carefully our use of that technology in regards to the Bible.

There are warnings of a ‘singularity’ with artificial intelligence. In a nutshell, the point that it becomes ‘smarter’ than man and is able to continue on it’s own. (If you need a reminder to how close we are, this is it!) Some of you have probably heard that, but what you probably didn’t know is that those who tell us to believe evolution (Rom. 1) have another belief in ‘singularity’, and that happened once with the ‘big bang’. So what type of change are they trying to produce?

These people are trying to create ‘gods’ that are AI and then place themselves ‘uploaded’ as ‘gods’ using this technology to wield dictatorial power over the population, this is their stated goal. As the Lord leads and time allows, this will be mentioned more, but in the meantime understand that AI is being used behind the scenes to manipulate mankind and prepare them for the coming Antichrist world government. Careful... exercise caution...take heed!
