

Watching & Ready Column (Matthew 24:42-44)

“Now learn this parable from the fig tree: When its branch has already become tender, and puts forth leaves, you know that summer is near. So you also, when you see these things happening, know that it is near; at the doors.” Mark 13:28-29

A Snare Upon the World

“But take heed to yourselves, lest your hearts be weighed down with giddiness, drunkenness, and cares of this life, and that Day come upon you unexpectedly. For it will come as a snare on all those who dwell on the face of the whole earth. Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man.” Luke 21:34-46

The world continues on, the question might be ‘when does the end come?’, in regards to ‘eating, drinking, marrying and giving in marriage’ (Matt. 24:38). We won’t know, things could be as they are now, even today or some series of events could happen and the ‘end’ or the ‘labor pains’ (1 Thes. 5:3) might get ‘closer and closer’, but at some point it will come as a snare upon the whole world.

If I could explain in words, in a simple column like this the scope of what the world is against with the manipulation from the –powers that be- (Eph. 6:10-13) that would be great, but I do not even fully comprehend how they can sway societies the way they do. A brief example will do as this former ‘google master’ rarely utilizes the internet nowadays, aside from the necessities.

I received a phone call from my best friend regarding Harris’s VP nomination. He was stipulating that the stadium was huge, sold out, packed to the max, as well as some other details. We both understand what goes on behind the scenes, but here he is saying essentially Harris has a powerful campaign. I suggested that this was staged, they had to make it look that way to make people assume there was still some democracy in this country. Sure enough the next day he calls back, some celebrity had booked the stadium then cancelled, allowing the packed out crowd, a tactic that, according to him, Hillary Clinton had once used. To be honest, and I do not believe this is the case here, advanced AI could be used to portray large, screaming crowds and you wouldn’t know the difference. Irregardless, as my friend said, this is going to get interesting.

Antichrist World Government

Speaking of manipulation, one of the books that I recently read was a newer book dealing with mass manipulation during Covid-19 (let’s leave that 19 there!). While there could be a lot of takeaways, this is not a review. There was one thing that the author pointed out and something that I had seen a separate author in another book point out – the governments around the world were in lockstep with their mandatory Covid-19 orders.

If one considers the ‘world’ government that is spoken about in Revelation 17 & 18, while not yet a perfect system, we can actually –see- this in the response to Covid-19, this in itself proves a world government is already here, in some form.

Now if we consider that the world government is broken into ten regions (think NAFTA as the one we are in, there are ten regions folks), then –after- the Rapture when the Antichrist rises to power he will abase three kings (Dan. 7:24), would this not suggest that this world government is not –yet- in a fully able to be controlled by one man system at the moment? You see the Antichrist will take over total control of the system (Rev. 17:12-13). Just who might the three abased be? Well have you seen the ‘rebellion’ from Russia, China and Iran? (There is a middle-eastern union that has never fully been in power, due to Iran.) Now about that ‘snare’ as scarcely anyone is paying attention in the world, how about you?

Noah & His Family

Consider Noah & his family, his three sons and all of their wives, eight souls in all (1 Pet 3:20). Now consider how God divinely warned Noah and Noah (Heb. 11:7) acted out of fear. Now consider the reasoning that God gave to Noah for the Flood (Gen. 6:1-5). Add in Daniel 2:43, ‘mixed with the seed of men’ as a potential scenario repeating the angels ‘who left their own abode’ (Jud. 1:6) and Jesus’s Words:

“But as the days of Noah were, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and did not realize until the flood came and took them all away, so also will the coming of the Son of Man be.” Matthew 24:37-39

...now if indeed fallen angels, demons, were having intimate affairs with the ‘daughters of men’ (Gen. 6:2) and it is prophesized in Daniel that there is some sort of mixing and Jesus tells us that it will be like the ‘days of Noah’ prior to the Rapture, then understand that there might be more to the Covid-19 vaccination that meets the eye. I’ve seen evidence of things I dare not mention here and have recently read some very interesting things about the ‘first’ mRNA vaccination.

Now both myself and PB used to talk about these things and there was rumors that such things were already happening years ago, but not on this mass of a scale. Did you know that at least 80% of the world's population took one vaccination, in the United States it was just over 70% and folks I am going to be bold here and warn you that this –might- explain, as well as 5G being integrated into the mess, why the world is walking 'unaware' and living as the Bible prophesied they would be living prior to the Rapture, this might be a portion to it. Now I will once again agree with a discussion that PB and I had years ago, if they are 99.9% human and .1% demon they –cannot- be Saved (*Gen. 6:9*). Now as far as those Believers who did take the vaccination, 'it will be no means hurt' (*Mark 16:18*) you, for God will protect His children.

Olympics

Received a text message about the opening ceremony of the Olympics in Paris being a mock parody of the last supper (which indeed will not be the last for us who are Believers (*Matt. 22:4*)), even with sexual perversities. This person also added that there was a blackout in Paris afterwards.

"Do not be led astray, God is not mocked; for whatever a man sows, that he will also reap." Galatians 6:7

Finally I decided to go online to see it for myself, trying to find an unedited or non-commentary clip (this is how they create a 'hive' mind, very complex, but just take a look at how this world is now!)... it took awhile, but eventually I found one and watched a bit of it...despicable, yes, but then every Olympic opening (Superbowl as well) is always a pagan worship ceremony, nothing new, but this year it was a –direct- mockery of God. So the next day there was a blackout in Paris...interesting.

Folks we are at actual war here, more than we could realize. Let me give you a quote form a magazine subscription that I receive:

In regards to the LGBT movement...

"So they're fighting for bent feelings. Will, too bad. I'm sure the Italians felt marginalized when they came over here, and the Irish felt marginalized. Everybody had their marginalized group, but they weren't a victimhood group. This is now a victimhood group fighting for feelings and your perception over something. "We can't let anyone have hurt feeling." Why not?"

Continuing...

"They're not marching for rights – they already have them. They're marching for feelings, validity, and acceptance. And you can't legislate any one of those things. And they won't stop until it's completely validated by Christians. And I don't think it ever will be. So we're going to have the problem."

- Kate Dalley, *Interview with the New American magazine, July 29th, 2024*

What we are seeing is what we would expect to see if we were close. Often it is spoken about at AWS ministry about the 'days of Noah' but did you know the Bible also talks about the 'days of Lot' (*Luke 17:28*), go ahead and find that (Sodom & Gomorrah) in Genesis and read or review up on that.

And they did not repent of their murders nor their sorceries nor their sexual perversions nor their thefts. Revelation 9:21

"And men were scorched with great heat, and they blasphemed the name of God who has authority over these plagues; and they did not repent to give Him glory. And the fifth angel poured out his bowl onto the throne of the beast, and his kingdom became full of darkness; and they gnawed their tongues because of the pain. And they blasphemed the God of Heaven because of their pains and their sores, and did not repent of their deeds." Revelation 16:9-11

Keep reading that chapter and ponder that the final 'battle' Armageddon is being prepared right after this...they had their chance...

This is one of those things that will persist during the Tribulation, what we are seeing, this militant mindset against God, our Creator, will continue. You see, eventually these people will recognize that God is allowing this judgment to occur on the earth, during those days, and they will still refuse to repent. You are witnessing an actual war going on right now.

Who is/was PB?

For those who read this and wonder who is this PB who is referenced? PB stands for Paul Becker who ran a ministry that attracted a lot of true Christians, who provided 'meat' and biblical nourishment for these very days that we live in. A few years ago he passed away and is asleep in the Lord (1 Thes. 4:15). As of this column, his material is available at www.a-voice.net, as well as some books also on AWS's main website (all FREE).
