### Nowhere to Bury the Dead

*“It will come to pass in that day that I will give Gog a burial place there in Israel, the valley of those who pass by east of the sea; and it will stop the noses of travelers, because there they will bury Gog and all his multitude. Therefore they will call it the Valley of Hamon Gog. For seven months the house of Israel shall be burying them, in order to cleanse the land. Indeed all the people of the land will be burying, and they will gain renown for it on the day that I am glorified, declares the Lord Jehovah. And they will assign men to continually pass through the land, traveling along, to bury those remaining on the face of the earth, in order to cleanse it. At the end of seven months they will make a search. And any traveler passing through the land, when anyone sees a man's bone, he shall set up a marker by it, till the buriers have buried it in the Valley of Hamon Gog.” Ezekiel 39:11-15*

There was an article in the local newspaper (AP) about how there was no more room left to bury the dead in Gaza. Apparently a chide against Israel for defending itself, one of which is obviously not true, there is still more room for the enemies of God.

*“But the wicked shall perish, and the enemies of Jehovah shall be as prized lambs; they are consumed; like smoke they vanish.” Psalms 37:20*

### Heat Discrepancy

We have had a hot summer here in South Dakota. There were many times that the mercury hit over 100°, many times in the mid 90's. Yet I noticed a discrepancy with the official National Weather Service (NWS) forecast and the reality on the 'ground'.

Many days I would determine what to do, looking at the forecast and the forecast, even that very same day would be lower to mid-90's only to ultimately go into the upper 90's to lower 100's. Usually, in times past, the weather service has only been a couple of degrees off.

I say this, not as ignorant, but being a weather 'buff', I'm a volunteer, even locally, storm-spotter for the NWS and have been on and off for years across the country, even receiving an 'award' when I was younger for my service. So I definitely keep up on the weather forecast.

So what to do? Is this part of the 'climate change' agenda? I suspect so... It was time to hit 'ebay' where I found for \$17.xx an old 'new' indoor/outdoor thermometer. After a bit of determining

where to place it outside, to keep it out of the sun at all times, it now has a new home. For I had noted that sometimes the temperature was hotter than what they said, by several degrees... well now I will have an analog version to verify these 'facts' when I see the necessity. So much for ease of technology, it failed me on that end.

### Real Heatwave

*“And the fourth angel poured out his bowl onto the sun, and it was given to him to scorch men with fire.” Revelation 16:8*

There has been a lot of talk about technology recently and 'Babylon' has been getting people introduced to AI as quick as possible, while they themselves are already well ahead in the technology, just giving the populace some basic beginning AI models to 'play' around and get used to, as well as 'train' them, perhaps to one day use such technology to 'worship the image'??? (Rev. 13:15)

Speaking of technology, there sure was 'heatwave' after 'heatwave' this summer in much of the country. Odd, isn't it, that it fits right into their agenda for 'climate change', electric vehicles, mowers, etc? Getting ready for the -smart- cities, where people can bike or walk (notice all of the recent electric scooter/bike traffic in your area?) and get rid of these nasty -earth destroying- fossil fuels. Well, not-so-fast, who can really know or trust what is going on? We have the Word of God, the Holy Scriptures and that we can know to be 100% accurate, a guide, our guide, but everything else, well perhaps it is all up for grabs!?

Years ago and I still have some older books that speak of such things, there was already not only known cloud-seeding technology, but weather modification that could be used for peacetime or wartime. (Shall I add the 'earthquake' weapons?) So just why was it so hot? Well, God knows, but can we know for sure?

They will get their climate change, with 'burning heat' during the Tribulation (Rev. 7:16). So they are right, climate change is certainly an issue that MUST be addressed and addressed right away before it is too late. However, the solution is Jesus Christ, the only name in which to be Saved (Acts 4:12).

Amen!

### Vaccines/Nanochips/Zombies

Someone had sent me a very interesting video that had some leaked information in it regarding the reasoning for the extreme temperature (-70C°) etc., of the Covid vaccinations. According to this leaked information, of which was years prior to Covid, the

possibility of nanochips that can be injected through the tip of a needle and take hold of organs in the human body and then be used to manipulate the individual who received the vaccination – specifically- using wireless 5G technology (they were non stop (this was Trump who was VERY big on 5G technology) at installing 5G, even during the pandemic), as well as a host of other things. Well, I will say this, these shots (and if there were nanochips) were specifically recorded to an individual, so that if this did occur, individuals could be monitored and/or targeted by government entities, as well as Babylonians corporations for their marketing agendas!

So let me sit back and take this all in...big allegation, the technology is certainly there, but did it happen, what are the ramifications, how to go about this. I sat back and pondered this for quite some time, waiting on the Lord to open my eyes to this matter to see exactly how this should be addressed. For AWS is not a 'conspiracy' website, but in order for the prophecies found throughout Revelation (as well as elsewhere in the Bible) to occur, there certainly is truly a conspiracy *against 'the inhabitants of the earth'*.

*“And one of the seven angels who had the seven bowls came and talked with me, saying to me, Come, I will show you the judgment of the great harlot who sits on many waters, with whom the kings of the earth prostituted themselves, and the inhabitants of the earth were made drunk with the wine of her sexual perversities.”*  
Revelation 17:1-2

As we continue, let me remind, perhaps shout a little bit...  
DON'T BE LEFT BEHIND...HOW CLOSE ARE WE???!

People will be 'zombies' during the Tribulation, some of them will be so because of what is laid out in God's Word in 2 Thessalonians 2:9-12. Could that already be beginning? I think it has started, but for some has the 'line' already been crossed???

Well, I don't know one way or the other, but I think you could bet that it has already begun, I know PB also had pondered it beginning and this was years ago.

(Please remember, this column is for Believers, so there is an assumption that you know your Bible to a certain extent and can look these things up, the Holy Spirit giving you understanding (1 Jn. 2:27), there is not room in this column, nor does my spirit yearn to actual go into greater detail, this column is for Believers. (Matt. 7:6))

Nonetheless, the whole world is being lead astray RIGHT NOW – prior- to the starting gun of the Rapture (Rev. 12:9; 4:1) which, from my thinking, allows us to say that what we see society doing, some of the things they are engaging in, well, they are wrong, they are being led astray and becoming 'drunk' with the 'wine' of her 'sexual perversities'. Folks we are talking about **MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH** (Rev. 17:5) here. Part of this includes 'the merchants of the earth' whom our society and the societies around the globe are making rich (Rev. 18:3). This not only includes big pharma, but also those who are ever more so controlling all sectors of society (food, energy, housing, etc.).

So is there nano microchips in the vaccines, Covid or some sort of other mRNA vaccine? I don't know, the video I saw mentioned that the technology was there, but provided no proof that it actually occurred. What I do know and did know is that such technology is readily available and they certainly –could- be in there, unfortunately they could also be putting 'smart dust' in your food stuff, spraying it in the air, etc. I've heard that barium particles have been sprayed in chemtrails years ago, in order to make people show up on satellite at night (glowing), true or not, once again I don't know. Perhaps our technology is already past the point of needing such a thing as barium spraying nowadays anyways???

Still we should be cautious and 'watching and ready' awaiting the appearing of our Lord and Savior to take us Home to be with Him. The Bible talks about 'perilous times' (2 Tim. 3:1) and we should all be able to see that we are clearly in the smack dab middle of them.

Now, whatever the full truth of the matter with covid, the vaccinations might be, let's continue to address this for a moment longer as the topic is at hand. Perhaps put this one to rest?

To those who listened to the archived radio show, I have spoken about my experience shopping at Walmart and how I finally was able to 'prove' that on one particular day all of these people who were with their carts in front of me, at another store as well, would 'pull' their cart in front of me and 'park' it in the aisle. Well for those who didn't hear the show that finally culminated with an older woman who 'blocked' the exit to the aisle with her cart.

I simply put the 'emergency hazards' on my cart and left it in the aisle, going around the corner to hand pick up an item and as I was returning to place my items in the cart, there she was. As I went to go around on one side her cart suddenly turned towards that side, then around on the other and once again her cart suddenly turned to that side! I looked at this woman and almost said 'are you demon possessed' but I held it in and noted that in her cart was a 6-pack of heavier alcohol beer than average, this woman being likely in her 70's.

Well I was considering how to write this section up. I already had something on the lines of this 'hive mind' and the nanochips simply added to this 'zombie' dilemma that we all face, if we are paying attention. Now I still think that smart phones need to somehow be incorporated into this whole ordeal, but last week while doing the shopping rounds around town, I started to have, not people with carts, but drivers who would (using a blinker ☺) get in front of me driving between stores. The second they got in front of me, they would slow down notably for no apparent reason.

Now this actually happened several times, where I was starting to see a trend and wondering if I was just having a difficult driving day or this was actually some sort of satanic attack? It didn't take long to get an answer.

In between another store I got behind a minivan who had been driving 'normal' prior. We had a green left arrow to go through the intersection and started off just fine, then suddenly the minivan driver slowed down to 1-2 mph, for no apparent reason.

As we very slowly, now being a spectacle for those ‘front row’ observers in the intersection, continued making the turn, I chuckled, though now I was stuck in the middle of the intersection completing the turn and the light was already red.

As two lanes appeared, I signaled and calmly moved over to the lane on the right, glancing over to see the driver of this minivan. The driver wasn’t paying attention, just seemed to be a ‘zombie’ looking straight forward, probably completely oblivious to what she had just did.

Folks, there are people all around us who are demon possessed or under satanic influence, we are literally surrounded by satan’s minions, this is part of those who are ‘drunk’ these are of those who are being lead astray. Covid, the vaccinations, 5G, mRNA, all of this fits right in. Just as there are people who are of the devil (*John 8:44*), even if unknown to themselves, used as tools against Believers (*1 John 3:10*).

One last thing and that is ‘long covid’ and ‘brain fog’. Once again, quite some time ago I was in line at a grocery store and heard the cashier telling the person in front of me about ‘brain fog’ and ‘long covid’, having also read about such things in the news. Now consider all of this talk about nanobots, nanochips, 5G, mRNA vaccinations and the pondering question as to how/what is going on with our society nowadays?

Well brain fog and ‘zombie’ are they not both the same??? What exactly are we witnessing in these last days? I’m not preciously sure and our duty certainly is NOT to search out the ‘depths of Satan’ (*Rev. 2:24*) but to be ‘loving His appearing’ (*2 Tim. 4:8*) and that is what our focus needs to be on. Perhaps this is enough understanding that we need to ensure that we are doing the later.

*“Do you not know that those who run in a race all run, but one receives the prize? Run in such a way that you may obtain it. And everyone who competes for the prize controls himself in all things. Now they do it to obtain a perishable crown, but we an imperishable. Therefore I run in this manner: not with uncertainty. Thus I fight: not as one who beats the air. But I discipline my body and bring it into subjection, lest, when I have preached to others, I myself should become disqualified.” 1st Corinthians 9:24-27*

### Removing Individuality

*“Therefore, since Christ suffered for us in the flesh, arm yourselves also with the same mind, for he who has suffered in the flesh has been released from sin, that he no longer should live the rest of his time in the flesh in the lusts of men, but in the will of God.” 1st Peter 4:1-2*

Speaking of those who we are surrounded by and who are on the ‘wide path’ to destruction (*Matt. 7:13*), let us look at what this ‘Babylonian’ system is doing, just briefly.

Perhaps 5G, smart phones, all of these apps, the purposely engineered addictiveness of social media is all part of the inhabitants of the earth being drunk and led astray? Likely I would think so. Then again how much of this is simply

complacency, what is called the hive mind or ‘group think’? Let’s not get too psychological here, but bear with me a moment.

### Compliant is the new normal...

Covid taught us that we must wear a mask (they tried with also making vaccines mandatory across the board, with digital certificates, passes, more successful in Europe than here... thankfully for the Supreme Court) during that time to go to a doctor’s appointment or else we were not allowed in the building. We ‘stayed home’ to ‘stay safe’ yet we were just being conditioned for our current and the unsaveds’ future.

Sometimes what we see is the world going in a direction that is not only anti-biblical, which we should expect (*1 John 2:17*), in regards to our culture (*1 John 2:15*), our societies beliefs, etc., but even walking into a literal virtual prison where all aspects of our lives are going to be able to be controlled, the world prepped for that what is prophesied to happen during the Tribulation, read *Revelation* chapter 13 for a good summary of that control!

Looking at my Windows XP background of palm trees and considering where we have gone since those days, as a society, the hive mind of modern day, even our modern day movies, entertainment that people watch, view or listen to, it is very disturbing. We were not a moral society back in 2010 when Windows XP was everywhere and hardly anyone had a smart phone, but now!!!

Perhaps instead of constantly using the term zombie we just need to consider the direction that the world is going and we know it well (*Rev. 12:9*) with an example from the Soviet Union.

The best way to describe it is living in the Soviet Union where everyone knew what was going on, but no one was talking about it, they were compliant. Well shall we be part of society, engaging in their prepared talking points, allowing ourselves to be engulfed in social media, the latest trends, drowned in apps, reaping the ‘rewards’ from these companies that have their sins reaching to Heaven (*Rev. 18:5*) whom God will repay (*18:6-7*), the ones who also are holding back the wages (*James (Jacob) 5:4*) of the workers who cry out. Or should we ‘come out of her’ (*Rev. 18:4*)? Well the later, correct?

We can not look towards society to do the right thing, but we as Believers, we must do the right thing. Our focus is to be on Christ who redeemed us. We certainly are to be of a ‘hive mind’ but not that which the world is connected to, but in a godly manner.

*“Finally, brethren, rejoice. Become complete. Be encouraged, be of one mind, be at peace; and the God of love and peace will be with you.” 2nd Corinthians 13:11*

### Storehouses of Hail???

*“Some comets seem to appear only once, but their orbital periods may be so long that we haven’t recorded more than one appearance. Some deep-time astronomers believe comets like this come from a reservoir of comet nuclei in a huge spherical region surrounding the solar system called the Oort cloud.” - Earth Science, 4th Edition, BJU Press, 2012, Page 579*

*“A comet is a small solar system object that is made of rock and different kinds of ices and that orbits the sun.” Page 577*

A brief pondering about this ‘reservoir’ of ‘comet nuclei’ in the so-called Oort cloud...

*“Have you entered the storehouses of snow, or have you seen the **storehouses of hail**, which I have reserved for the time of distress, for the day of battle and war?” Job 38:22-23*

*“And great hail from heaven fell upon men, each hailstone about the weight of a talent. And men blasphemed God because of the plague of the hail, because the plague is exceedingly great.” Revelation 16:21*
