“Now learn this parable from the fig tree: When its branch has already become tender, and puts forth leaves, you know that summer is near. So you also, when you see these things happening, know that it is near; at the doors.” Mark 13:28-29

Heat Discrepancy Update – One More

“Ask yourself this: when was the last time you encountered a climate change apocalypse-predicting paper full of computer models that took into account and incorporated the geoengineering technologies – cloud seeding, chemical spraying, ionospheric heaters, and so on – as a component of the computer modeling?”

- Josph P. Farrell, PhD – June 2019

My friends back east tell me it is pretty cool or normal temperature in places like Michigan, Ohio and Kentucky. Well about two weeks ago in Rapid City, South Dakota we still hit another 100 and had a couple of days where it was also close, now it is cooling off, though we were at nearly 90 a few days ago. So what is ‘naturally’ occurring, being modified by ‘powers-that-be’, a ‘normal’ cycle, but where anything that happens eventful is shouted from the media as ‘climate change’ despite the fact that there has –always- been extremes no matter where you live? I don’t have all of the answers, but I am certain there is more than we know going on.

Now, what about those nasty blizzards that I have heard of out here in the high plains? Perhaps I will be thankful I picked up some thermal underwear for the whole family on sale this past spring?!

Labor Pangs

“All these are the beginning of travail.” Matthew 24:8

There are quite a few translations that relate this ‘travail’ to a woman about ready to give birth. Let’s take a look at this word ‘travail’ used in the VW edition (sorrows is used in the KJV).

Travail

- 1.) To labor with pain; to toil.
- 2.) To suffer the pangs of childbirth; to be in parturition.

Webster’s Universities Dictionary Unabridged, 1942

So let us now consider the times and not ‘faint’ (2 Cor. 4:16; Gal. 6:9). This is after all the ‘Watching & Ready’ column. ☺

I have been reading a new book recently, of which I am certain contains a lot of truths, but it also raises a lot of questions. How much of it will end up in these writings will be determined as the Lord leads, though there are some times that I have to skip sections (Rev. 2:24), but there are certain technologies that I am certain are being used against the public, some of which has been spoken of with this column, for instance the vaccinations, but there are other things that are right up there with that.

So there will be a quote from that book used in the **Bluebeam Update** section, but I would not recommend the book, for unless one is firmly mature with Christ, and will skip sections, this book is written by one that claims to be a ‘christian’ but the ‘testimony’ is not there, the heart is not right. There are certain things that are described that are blamed on technology, but rather I have heard these same stories and these same sort of things have happened throughout history. These are things that happen in the ‘spiritual’ realm, right up there with the man whom Jesus spoke to, who lived among the tombs (Mark 5:1-20), whom Jesus cast Legion out of. There is a lot of things that has changed and are changing in the past decade. The question is what has happened and why, what part of this has to do with technology, behind the scenes?!

Will these things be mentioned here by and large? No...

“Now to you I say, and to the rest in Thyatira, as many as do not have this doctrine, who have not known the depths of Satan, as they say, I will put on you no other burden. But hold fast what you have till I come.” Revelation 2:24-25

For in pondering these things, one must have a certain knowledge to ‘warn’ people (Matt. 10:16), but there is a limit, irregardless of what the ‘powers-that-be’ might be doing.

I remember years ago there was this Baptist preacher who was coming out with these films about the origins of the United States. There were some interesting things in there...I recall a few of them – the Atlantic ocean was named for the lost city of Atlantis. Washington D.C. was setup in an occult layout on some sort of occultic ‘lay lines’, freemasonry, etc. He was going to (I think he did) come out with quite a series of DVD’s, going over these things, segment after segment, I believe the goal was to have seven different DVD’s.

We watched the first one, then the second and they were alright (this probably about 15ish years ago). The third came out it and started off alright and then ‘boom’ the snare was laid where suddenly the Bible, the very Word of God became this sort of mysterious thing, were the ‘truths’ were hidden via

alternative meanings to what God had said...etc. – this from a Baptist preacher!!!

Well I finished watching the third video, but my wife had fallen asleep during the film. When she woke up, she asked what she missed and I was glad to tell her that it was a dangerous movie and it was good that she slept. Afterwards a friend wanted to borrow the new movie, but I refused, I warned him of the snare that was in there.

Let me say this though, there is certainly more going on behind the scenes than we would imagine. Unfortunately, it appears that technology rumblings that I heard about years ago, back when I kept up on all of this stuff and it was still talked about (prior to the election of Trump in 2016, when things started shifting).

What I do know is the author of this book seems to assume that the technology is more in place than what it is, but I assure you from other books that I have recently read, things are heading in a direction that is far outside of the norm, we are right there with the *'mixing of seed'* (*Dan. 2:43*) recently spoken about and I believe firmly that the *'strong delusion'* (*2 Thes. 2:11*) is already beginning, those whose hearts fall in that category seem to already be going down that road (zombified) as the birth pangs of what appears to be –at any moment- the time for the *'starting gun'* (the Rapture) to happen! Are you paying attention?!

Rather than ramble off a 'laundry' list of what very well could be going on, it would seem more pertinent to simply state the following:

"But concerning the Gentiles who believe, we have written and concluded that they should observe no such thing, except that they should keep themselves from things offered to idols, from blood, from things strangled, and from sexual perversion." Acts 21:25

Pestilences/War/Economy/Lies

Speaking of 'birth pangs', the beginning of travail or sorrows, have you noticed that the World Health Organization (WHO) apparently has the world on 'alert' regarding the 'bird flu' and 'monkey pox'. So, let's pray that they don't start 'pandemic 2.0'. The United Nations is trying hard, as well as portions of our electorate, to get it setup that WHO, which is a NGO, by the way, run by Bill Gates and others like him, to have countries setup to automatically be legally obligated to follow any protocols that they deem necessary to fight off a 'global pandemic'. Just imagine what the world would be like if they had those powers back in 2020!

"And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places." Matthew 24:6-7

The other day I was paying for my groceries and the friendly cashier, who also seems to be the front end boss, asks me if I saw the gas prices (they had went up 20+¢ overnight), she was complaining about such a price increase. I simply mentioned (prior to Iran firing 200 missiles into Israel) that there are two major wars going on right now, one in Ukraine and the other in Israel, both of which could cause major problems with gas prices, etc.

Nothing new, but what we have are lies that the media tells us or half-truths or ignoring portions to give us a 'fair and balanced' report, something they only pretend or used to pretend to do. But let us not be troubled, God will take care of each and everyone of those who are His (*Luke 12:22-31*). And if you happen to be reading through these during the Tribulation, understand that God will wipe away every tear (*Rev. 21:4*). For those who don't have their head in the sand or who can get away from their smart phone to not be manipulated by technology, the economy is not doing good and it is a setup for disaster.

Let's be thankful that the port ordeal strike was over in three days, if it weren't and were still going on, well we could really run into another 'toilet paper' shortage, as there were apparently posts about that going around on social media (despite the fact that nearly all of the toilet paper DOES NOT come through the ports, but domestically), at least that was the report I caught on MSNBC, who warned people not to go out and buy all of the 'charmin' so that the prices wouldn't go up! Why not just tell them that it doesn't come on the boats from China, so there –cannot- be a shortage due to the port strike?

We are a manipulated society, nothing new, but God's Word, as long as it is a faithful translation, is something that is Truth (*John 8:32*) that we can ALWAYS count on, everything else we are told, perhaps it is true, perhaps not (*Rev. 17:2*)?

Rich Man's Feelings

"There was a certain rich man who was clothed in purple and fine linen and fared sumptuously every day. And there was a certain beggar named Lazarus, full of sores, who was laid at his gate, desiring to be fed with the crumbs which fell from the rich man's table. Moreover the dogs came and licked his sores. So it happened that the beggar died, and was carried by the angels into Abraham's bosom. The rich man also died and was buried. And being in torments in Hades, he lifted up his eyes and saw Abraham afar off, and Lazarus in his bosom. Then he cried and said, Father Abraham, have mercy on me, and send Lazarus that he may dip the tip of his finger in water and cool my tongue; for I am tormented in this flame. But Abraham said, Son, remember that in your lifetime you received your good things, and likewise Lazarus evil things; but now he is comforted and you are tormented. And besides all this, between us and you there is a great chasm fixed, so that those who want to pass from here to you are not able, nor can those from there pass to us. Then he said, I beg you therefore,

father, that you would send him to my father's house, for I have five brothers, that he may testify to them, that they not also come to this place of torment. Abraham said to him, They- have Moses and the Prophets; let them hear them. And he said, No, father Abraham; but if one goes to them from the dead, they will repent. But he said to him, If they do not hear Moses and the Prophets, neither will they be persuaded though one should rise from the dead.” Luke 16:19-31

One day I was working and for whatever reason this passage, which I have used from time to time, as it is –not- a parable, despite what some say, that very rich man is STILL in Hell, will still be there one trillion years from now and indeed forever, and his family that he was concerned about that he begged Abraham to have someone sent to warn his five brothers who were still ‘under the sun’, whose fate, whatever it might have ended up being, whether their names were/are written in the Lamb’s Book of Life (*Rev. 21:27*) or not. What is interesting about this is that there were still clearly feelings described there, in Hell, the rich man wanting to warn his family (caring), begging. What about you? Where will you be when you are no longer under the sun, never to be under it again?

“This is an evil among all things that are done under the sun, that there is one event to all. Yea, also the heart of the sons of men is full of evil, and madness is in their heart while they live, and after that they go to the dead.” ... “This is an evil among all things that are done under the sun, that there is one event to all. Yea, also the heart of the sons of men is full of evil, and madness is in their heart while they live, and after that they go to the dead.” Ecclesiastes 9:3 & 6

Project Bluebeam Update

Never thought I would see an updated version to Project Bluebeam regarding holographic images as a potential lie (perhaps the lie??? *2 Thes. 2:11-12*??). These things go –way-back, ever wonder how they might do it, if indeed this is what will happen? Well, from that same book mentioned above, here you go:

... “whereas laser-induced plasma filaments (LIPFs) can be used to build phantom images (plasmoids) by emitting light of any wavelength (visible, infrared, UV, THz) to create 3D images by raster scanning, the way cathode ray TVs are used to display images – or clearing thick fog “a thousand times denser than a cumulus cloud” with laser pulses “so intense that they would change the character of the surrounding air,” and so fast that they send the air molecules “spinning.” Quantum cryptography changes the conductivity of the air and “carves out the desired path of least resistance” to protect “sensitive infrastructure.” ...

... “Regarding NASA’s Blue Beam, we were conditioned to think of the technology as a magic lantern conspiracy theory when it was actually about realistic holograms beamed by laser-generating and NRO electro-optical satellites. As explained above, holograms are produced by three interfering beams, one to illuminate and two to reflect the image into a plasma “sky

mirror” so that when the beams intersect, they form a 3D hologram. Observers feel they are looking at the thing or person itself in the vacuum zone over the target area.” ...

{**EDITOR** – So herein lies a problem. I have a movie called *Messages from Heaven* and it is about ‘marian’, (catholic ‘mary’) visions, tears from statutes, blood, appearances in the skies, where you can clearly see that the crowds ‘see’ something, etc. This is part of the last days deception. Now this movie correctly makes the connection that these spirits are deceiving spirits (demons) that are being used, just liked the ‘near death’ or ‘coming back’ experiences that have led many astray.

Now this author surmises that –everything- is explained with some sort of odd and high technology (which may or may not all exist, sometimes what people patent to try to create or what DARPA asks for regarding a contract do not come to fruition) is all –explained- by these means, not understanding or really believing the Bible that there are also false ‘signs and wonders’ (*Luke 21:8; Mark 13:22, Rev. 19:20; 2 Thes. 2:9*), things that have been happening since the ‘ancient days’ prior to the Flood. (*Gen. 6*, of which we seem to be in those ‘days’ again (*Luke 17:26*)), long before we had the current technology that our societies are engaging in now. Nonetheless, of interest and continuing...}

... “Local optical fiber and coaxial cable can transform the ionized sodium layer 60 miles above the Earth into a movie screen starring God, an alien invasion, the Maitreya World Teacher: We will see His (sic) face on television, but each of us will hear His (sic) words telepathically in our own language as Maitreya simultaneously impresses the minds of all humanity. Even those not watching Him (sic) on television will have this experience.”

- Geoengineered Transhumanism, Freeland, pgs. 259-260

--- Now how about that for an update! What the fullness of this matter will be, if anything, is for the future and everyone who is reading these prior to the Rapture, hopefully you are truly Saved and watching, as well as ready. You think it is bad out there now? No way, just reading through much of this book recently, I pondered these words...

“And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; men's hearts failing them from fear and the expectation of the things which are coming on the earth, for the powers of the heavens will be shaken.” Luke 21:25-26

Lord’s Supper

“But let a man examine himself, and so let him eat of the bread and drink of the cup. For he who eats and drinks in an unworthy manner eats and drinks judgment to himself, not making a distinction regarding the Lord's body. For this reason many are weak and sick among you, and many have been put to death.” 1st Corinthians 11:28-30

This warning is put in the Holy Scriptures regarding the Lord's supper. I want to consider the seriousness of this warning.

Have you ever partaken of the Lord's supper and noticed someone who was in the congregation (who proclaimed to be Saved and might very well be) not partaking in the Lord's supper? Probably not...but I think you should have.

You see this is very relevant to the times in which we live, the warning in which the Bible clearly gives each and everyone of us individually. We need to take them seriously.

Read those verses again, listed above, it will just take a moment and note that there are many who are 'weak and sick' and many have 'been put to death.' Folks, these are true BELIEVERS, these are those who did not heed the clear warnings regarding this biblical ordinance for the Church age.

Now consider that the Bible also warns us to be watching and ready. Are you watching? Are you ready?

"Watch therefore, for you do not know what hour your Lord comes. But know this, that if the master of the house had known what hour the thief comes, he would have watched and not allowed his house to be dug through. Therefore you also be ready, for the Son of Man comes at an hour you do not expect. Who then is a faithful and wise servant, whom his master made administrator over his household, to give them food in due season? Blessed is that servant whom his master, when he comes, will find so doing. Truly, I say to you that he will appoint him as administrator over all his possessions. But if that wicked servant says in his heart, My master delays his coming, and begins to beat his fellow servants, and to eat and drink with the drunkards, the master of that servant will come on a day when he is not expecting him and in an hour he does not know, and will cut him in two and appoint him his portion with the hypocrites. There shall be weeping and gnashing of teeth." Matthew 24:42-51
