“Now learn this parable from the fig tree: When its branch has already become tender, and puts forth leaves, you know that summer is near. So you also, when you see these things happening, know that it is near; at the doors.” Mark 13:28-29

Heat Discrepancy Update

“It’s now openly admitted. There are multiple forms of weather modification. I specifically found the one of stratospheric aerosol injection, and collectively around the globe, we have to understand it is now being admitted because they’re saying it’s combating climate change. Well, the climate change we need to be worried about is man-made climate engineering, also know as geoengineering.”

Civil War?

“Thus says Jehovah to this people: Thus they have loved to wander; they have not restrained their feet; therefore Jehovah does not accept them. He will now remember their iniquity and punish their sins. Then Jehovah said to me, Do not pray for this people for their good.” Jeremiah 14:10-11

There has long been talk of civil war now in the United States for the past decade. However I have now noticed a serious undertone that is concerning regarding the future of this country, one that the foundation for those who suppose to stand on the ‘righteous’ side of things is but a mirage to the true state of Christianity in this country (*Rev. 3:14-21*).

This column has recently mentioned that there are many people who view former President Donald Trump as being ‘God’s’ candidate or as a prophet, some considering him like Moses, others blasphemously comparing DJT to even Jesus. Well when someone has that mindset, there is not much that can be said to convince them otherwise.

The problem here lies with DJT and the potential to have ‘another stolen’ election. AWS is not here to try to sort things out and put the pieces of the puzzle together to determine whether or not the 2020 election was stolen. There are those who strongly suggest it was.

Where the problem is being setup is simple, as I have recently read a series of articles regarding when armed resistance is necessary. While they did not mention Trump specifically, they did mention that when a leader is elected but not able to take power (i.e. stolen election). Now, in essence, if you have tried every peaceful recourse and even use the lawful system, but yet fail, is the basis there for an armed resistance? In theory...yes.

However, herein lies the problem. We are not a moral people, our country’s version of –christianity– is right out of the above referenced Laodicean church of the book of *Revelation*. At what point would those who would suppose to take up arms not consider the following:

...“but if it is of God, you will not be able to overthrow it; lest you even be found to fight against God.” Acts 5:39

Space does not allow a full discussion regarding these matters, nor is one seemingly necessary. The apostasy is obviously in full swing (*2 Tim. 4:3-4*) and a Christian can hardly, if even, find a true Church that is honorable to God of any size.

Will God not Judge for these things? As God said about Israel:

“Shall I not punish them for these things? says Jehovah; shall not My soul be avenged on such a nation as this?” Jeremiah 9:9

Now there are two sides to this dilemma. The one is already mentioned here, but the other, as we can clearly see that there is a –strong– division in this country between far left and far right (to most right vs. wrong). Vice President’s Kamala Harris’s political beliefs are extreme on the left side of things.

Those who support such policies have a ‘never Trump’ attitude and just how deep do those beliefs go? Well if the first couple years of Trump’s presidency and gun sales suggest anything, it could go in a ‘shooting’ war direction.

There were record gun sales after Trump became President and it was not the ‘right’ buying the guns, but a lot of it was the ‘left’, even a lot of first time gun owners. Why even mention this ordeal?

Well, with dismay, I read this series of articles from ‘scholars’ who are well respected, well read and represent a ‘conservative’ viewpoint. The fact that they decided to publish a series of articles that set a foundation to justify ‘armed resistance’ or rather build a foundation on which to justify another civil war is alarming.

There basis also included arguments from the Bible to support their viewpoints. The problem is that they consider the cause righteousness, the people on the ‘right’ the righteous and while not mentioned by name, one would assume that the timing would correlate with the potential future leader of that movement, DJT.

What is God’s viewpoint of our people? How does our version of ‘christianity’ in this country align with His Word? Well quite obvious, as this is part of the *Watching & Ready* column, the apostasy is here and it will continue to get worse until He comes to take us Home (*1 Thes. 4:17*).

Now do not take what AWS has written out of context here. By no means does this ministry support a civil war, even if there is another ‘stolen’ election. What the call needs to be is repentance towards God (*Acts 17:30-31*) and then seeking His mercy, as our nation is deserving of His righteous Judgment.

At least Israel has this promise --- *Jeremiah 30:11*.

“Jehovah is slow to anger, and great of power, and He does not by any means acquit the guilty.” Nahum 1:3a

EU – Prepping for What?

Someone sent me a fresh article about how the EU is preparing for a digital vaccination certificate, apparently that will be ready in the complete European Union by 2026.

Even more disturbing is the fact that the World Health Organization (funded and influenced heavily by Bill Gates) has also taken this digital vaccination certificate over to be implemented outside of the EU. So why?

We could easily all understand the rights of an individual being taken away, the privacy concerns with the health information, the freedom of movement being restricted (even the freedom to enter buildings (buy/sell) etc.) coming out of such technology, but why?

“And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. All these are the beginning of travail.” Matthew 24:6-8

Now we don’t have anything else to ‘wait’ for except the ‘starting gun’ of the Rapture. But how far, how long do the ‘birth pangs’ take place before then?

Right now the bird flu is in the news and what a great way (sarcasm) to allow egg shortages and the price increases to coincide with our shopping budgets, but could it cross over (purposefully???) to a fairly well transmittable version from human-to-human???. Then there is ‘monkey pox’ and even still perhaps another strain of covid???. Perhaps even ebola or something else that ‘the powers that be’ (*Eph. 6:12*) could ‘release’ on the public to pursue their agenda???. Just thinking out loud here to an answer of ‘so why’.

The reality is the future is unknown, but what is known is this:

“Jehovah is my light and my salvation; whom shall I fear? Jehovah is the strength of my life; of whom shall I be afraid? When the wicked, my enemies and my foes, came upon me to eat my flesh, they stumbled and fell. Though an army should encamp against me, my heart shall not fear; though war should rise against me, in this I have confidence. One thing I have desired from Jehovah, that I will seek after: That I may dwell in the house of Jehovah all the days of my life, to behold the beauty of Jehovah, and to inquire in His temple. For in the time of evil He shall hide me in His den, in the secrecy of His tent He shall hide me; He shall lift me up upon a rock. And now my head shall be lifted up above my enemies all around me; and I will offer

sacrifices of joy in His tent. I will sing; yea, I will make music unto Jehovah. Hear, O Jehovah, when I cry out with my voice, and have mercy upon me and answer me. When You say, Seek My face, my heart has said unto You, Your face, O Jehovah, I will seek. Hide not Your face from me; turn not Your servant away in anger. You have been my help; do not leave me, nor forsake me, O God of my salvation. When my father and my mother forsake me, then Jehovah will gather me up. Teach me Your way, O Jehovah, and lead me in a plain path, because of my enemies. Do not deliver me over to the will of my enemies; for false witnesses have risen up against me, and such as breathe out violence. I would have fainted unless I had believed to see the goodness of Jehovah in the land of the living. Wait upon Jehovah; be of good courage, and He shall strengthen your heart; wait, I say, upon Jehovah!” Psalms 27

Amen!

Let me place a bit of a piece from the ‘Digging in the Walls’ mini article titled ***U.S. SECRET SERVICE SHOT THROUGH AND THROUGH WITH DEI WOKE NONSENSE***

*“The agency (Editor: DEI) attends homosexual “Pride events” to recruit candidates and “has seen more transgender people in the service as a result.” Andrew Cannady, a supervisory attorney-advisor for the agency’s Office of Chief Counsel, said the Secret Service is educating its workforce on “how to use pronouns.” This might be the key to understanding what happened on July 13. The agents could have been confused about what pronoun to use for the attacker and had to run it by headquarters before taking out he/she/it/them. **The point with this little report is that this weird thinking is a judgment on the nation and is not something that can be rooted out by political effort.** Paul described it as being given over to a reprobate mind. “And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient” (*Romans 1:28*). People can’t be this stupid naturally.”*

David Cloud, Way of Life Literature, O Timothy, Volume 41 – Issue 9 – September 2024 (wayoflife.org Read for FREE, e-edition)

When I read those words, David Cloud really hit the nail on the head with this one.

Let me just give a brief example. Off and on from 1999 until 2016 I worked in restaurant management. Oftentimes it was a fast food restaurant (Burger King, McDonald’s), where I have been everything from a shift manager to the general manager.

We always had sodomites who worked in the restaurant industry, sometimes they were amongst my best cooks. We also had drunks, gang bangers, druggies, whores, thieves, the whole nine yards, we had it. Some were out of jail, some were out of prison. Some were nice, some would threaten you. What, in my experience, of hundreds of employees (McD’s was happy at one

time with 100% turnover in a year, it can be –much- higher), was that everyone generally got along, no one requested special rights.

There was not once that an employee demanded that they could drink hard liquor out of a paper bag by the dumpster, because they had a ‘disease’.

There wasn’t once that someone demanded that they could go take a puff of a joint because they were ‘stressing’.

There wasn’t once that someone demanded that they could steal some food because they had a problem with ‘sticky fingers’.

Nor was there once that a gay or lesbian worker demanded to even work next to their ‘partner’ or any sort of special attention, not once.

Now right before I quit working at fast food (2015) McDonald’s had just come out with a ‘nick name’ field for an employee in the computer. Call me ignorant, I thought that was weird, but had no clue. If I had ever hired a transgender, they never said a word, I was never aware of any and there were no clues that I noted from any employee.

Yet a friend worked for that same McDonald’s as a manager and within a couple of years they had at one point three transgenders who DID demand special treatment. You –had- to call them by their proper ‘pronouns’ and ‘new name’. At least one demanded to use the bathroom of the opposite sex. In fact this manager, who was ‘tolerant’ heard from his boss that he better use the right ‘terminology’ as he had told another employee to go and ‘tell her’ to do this or that, without even thinking or trying to be ‘incorrect’.

I have stood back and pondered how society changed so quickly and I even know of doctors (there are tons) who promote these things (they are anti-scientific), as well as heard of professors, you name it, smart, intelligent, as well as often wealthy people, many prominent, who not only tolerate these things, but BELIEVE them and promote them.

Well perhaps considering what David Cloud has stated would help us all to realize what exactly we are dealing with here. I would wholeheartedly agree that the reason the world doesn’t make sense does makes most sense ☺ to consider it to be the fulfillment of what is found in *Romans* chapter 1.

Let me finish this continuing to quote from that same article:

“The point is that Trump can’t fix this because he is part of the judgment. No matter what Trump does, if elected, he will not root out the DEI or “drain the swamp.” Florida Gov. Ron Desantis said, “this is where woke goes to die,” but woke is very much alive in Florida (EDITOR: South Dakota also), thought it is kept a bit under wraps for the time being. Like noxious weeds, if one Woke proponent is uprooted, ten thousand wait in the wings.”

Come Lord Jesus!

All Will Stand Update

“There are many plans in a man’s heart; nevertheless the counsel of Jehovah shall stand.” Proverbs 19:21

The Samuel/David walk-thru series that I had thought to do is going to be placed on the backburner, as I buckle down to continue doing what the Lord has intended for me to do. The radio shows will become as the Lord leads after the month of October. However, the *Watching & Ready* column will remain and be published as the Lord leads (which seems to be at current 2x/month), as well as any other materials. Also, I do still intend to finish up the other three materials for the Children’s Corner.

I’ll still be here, but I will be doing mostly ‘offline’ work for the Lord. ☺

“A man’s heart devises his way, but Jehovah arranges his steps.” Proverbs 16:9

Let me place another bit of a piece from the ‘Digging in the Walls’ mini article titled **REPUBLICANS REMOVE OPPOSITION TO ABORTION AND SAME-SEX MARRIAGE FROM PLATFORM UNDER TRUMP’S INFLUENCE**

“Donald Trump’s lack of morality has influenced the entire Republican Party, which is supposed to be very “conservative.” He supports the murder of unborn children so long as they aren’t too old in the womb, and the new Republican party platform supports abortion up to 20 weeks for the first time in its history...”

One reason that I would never have voted (except for the few ‘blue’ Democrats) for the Democratic Party is they were for abortion. Now what? Certainly a case-by-case for each and every candidate to see what they portray themselves as. However, this is just a sign of the apostasy that is sweeping over this country and how quickly things are ‘waxing worse and worse’ (2 Tim. 3:13).
