Drone Sightings

Late last year (2023) pondering the things of God and wondering what was wrong with society, I finally made a choice to see what it was like to limit my intake of news to more traditional methods.

These methods would be what I happened to catch on television or hear on the radio, reading a local newspaper once per week and what I heard from others, only occasionally looking into certain things. Why?

Satan is leading the whole world astray (*Rev. 12:9*), so believing the condition that the Bible says the world will be in (astray) at the beginning of the Tribulation (*‘time of Jacob’s trouble’ Jer. 30:7*) and thinking that that is likely soon PLUS looking at society and how much and quickly it is changing or should I say being led astray, then the likely reasoning was that smart phones and the internet, particularly social media, had something to do with it.

To add to that, there was also one of my daily (or multiple daily) sites that I visited (zerohedge.com) had an article that I actual witnessed being 1984ed (disappeared), as well as similar headlines being sprinkled here and there across other ‘alternative’ websites (talking points being placed). I did not want to be manipulated so that items such as this column could be produced without somehow having my mind manipulated. I wanted to ensure that God’s work was done without any unknown added influence of the world or conditioning (which always seems to go anti-Bible) that the world might throw at me.

I had also determined to double-down on anything that was pure, true, noble, pure, lovely, good report, had virtue and reason of being praiseworthy (*Php. 4:8*), as I am also a father of two children. Can one do both? (*Luke 16:13*)

While some might find good within social media contacts, often these websites and even radio broadcasts (podcasts or traditional) have tons of good information, but a true Believer knows they don’t tell the whole Truth (*John 14:6; 8:32*). Yet I would dare say that a Believer would not spend much time ‘hanging out’ with these people after whatever ‘professional’ ordeal had to be done (i.e. work, some sort of event, etc.), but at what point does visiting such sites on a regular basis,

reading their material, listening to their recordings, watching their videos become dangerous???

“Do not be led astray: Evil company corrupts good character.” 1st Corinthians 15:33 VW-Edition

“Be not deceived: evil communications corrupt good manners.” 1st Corinthians 15:33 KJV

At what point do these sites become ‘company’ or ‘communications’ and are they evil? If that is the case, then will they not corrupt good character or manners?

Years ago when I had Facebook (prior to being permanently banned) I had the same type of feed that everyone got standard and I had to turn it off of several people (family members included) due to the fact that the ‘feed’ was FULL of filth. I believe that Facebook (Meta) did me a favor by not allowing the possibility of reestablishing my account! I learned things about people that I was not aware of and they were not good!

Now this tidbit within this column is not directed at any individual. In fact it is also not telling someone not to visit news websites, read alternative news or even have social media accounts (*Matt. 10:16*), but just to remember that whatever it is we do as Believers we must weigh these things against the Word of God and if it interferes with wholeheartedly serving God (whatever it may be) then we need to purge it from our lives or trim it back.

For some that could be sports, they might be ‘crazy’ about sports and unable to control themselves (I have actually heard of this), for others it might be something else, but you get the point. There are those who have stated years ago that Christians should not have television sets or watch tv, yet do not put this ministry into that same type of basket.

My family and I do own a television, in fact we also have more than one video gaming system, as well as a DVD player. What is allowed is very limited, but we do enjoy watching a cooking show or two on PBS, sometimes we will watch the local news, we do own a few non-Christian DVD’s, including the *Andy Griffith* and *Little House on the Prairie* television series (though there is one *Little House on the Prairie* episode that is banned), we enjoy playing some Mario Kart on the Nintendo GameCube, but these things have their rightful place and limitations that are based upon the Bible.

So, for now, that is still where I stand when it comes to media consumption with ‘newer’ methods, though this might have to change once Trump gets into office!

Sometimes people tell me something like a small nuclear weapon being used in Syria or about the drone sightings and for both I will

welcome to opportunity to 'look' into each of these things to see what might really be going on or respond to 'what I think' about this or that person's article or video about a certain thing or event. Then there are times when there is something that I have read, perhaps in the newspaper, and I want a bit more information, so I will turn to the internet to get that information. I just keep in my mind *Revelation 12:9* and prevent myself from being a 'news-surfer' as I was.

So for those of you who email, text or call and want my opinion or share some sort of news article, do not take this tidbit the wrong way, I still welcome that, but just realize that I might know little or nothing about what you have told me. Oddly enough so far that has not seemed to matter. ☺

So the drone sightings were brought up, of which I had heard a bit about from catching some national television news, as well as from the local newspaper, but evidence was presented that involved Musk and the other 'usual' suspects that we seem to now deal with on a daily basis.

Would I believe that the government has not known –exactly– what was going on? No, certainly they will have a 'cover' story for it. In fact, these same intelligence agencies will tell certain cleared individuals the 'truth' or part of the 'truth' but they will ALSO tell them the 'cover' story. This goes for our elected officials, as well as Federal department heads, this is –standard– protocol and the way things actually work. They use the media the exact same way by giving the national talking heads 'scripts' prepared beforehand, as the organizations and the people in them are by and large puppets of this same system of control that exerts itself over our society, as well as across the globe. Make no mistake about such things, the same is true online and those that speak otherwise (truly independent) they bury in the search engines or ban their websites.

I'm not going to pretend to have the answers as to the origins of the drones that were sighted (are they still being sited?), but certainly, as an individual had sent me, they seem to be possibly paving the way for a Project Bluebeam (fake, government sponsored alien invasion ordeal) type test, as well as such autonomous technology (HiveMind) being used with drones, that instead of the government (thinking the USA here) going door to door to get those dissidents who refuse and are possibly former military, trained, locked and loaded during the Tribulation, but using these sort of drones, armed, who do not need commands, but use AI to hunt down known individuals or groups and kill them.

No wonder people look into these things! Certainly this is interesting and I am thankful this was sent my way so that whoever might read this in the future and become Saved during the Tribulation, might be aware of these sort of 'enemies' and perhaps 'hide' out for just a bit longer before going Home! However, I did note that Elon Musk's name ONCE AGAIN keeps coming up.

Talking to Brandon, who informed me that no one know who owns Bitcoin and that that individual might be worth \$35,000,000,000,000.00 dollars (should be thirty five trillion, I hope! ☺) He wondered if perhaps it was Musk? Who knows? But I did want to put something out here with a 'grain of salt'.

From Brandon I also had heard this story and so I just did a very quick search to get a date when this was doing the 'rounds' on the internet and came up with 2021. Well this was when Trump and Musk were still not on the terms that they are now.

So there was this rumor that can not be proven, that when Musk was a child there was this babysitter that was hired to watch him. Apparently one day this babysitter saw that Musk had opened up some sort of 'portal' in his bedroom. Afterwards, I believe by his mother, this babysitter was supposedly told that Musk was not the Antichrist, but would bring the technology for the mark of the beast.

Now I normally wouldn't mention such 'hearsay' things via All Will Stand and you can totally disregard this as a bit of yellow-journalism nonsense, however, the only reason I mention it, aside from the fact that Musk's name keeps coming up, is the fact that this was written prior to Trump even announcing a second run and now that Trump has won, him and Musk are hand and hand in 'solving' the world's problems, with Musk also involved with the finances of this country. Everyone knows that Musk is a genius when it comes to technology, as well as he is the world's richest man (worth one trillion, from what I have heard) and certainly is directly involved in the political actions around the world.

So could there be more to this man? Could he be behind the technology for the mark of the beast? Well time will tell, but for us who know Christ, we won't be on earth to find out.

"But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. But ye, brethren, are not in darkness, that that day should overtake you as a thief. Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness. Therefore let us not sleep, as do others; but let us watch and be sober. For they that sleep sleep in the night; and they that be drunken are drunken in the night. But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, Who died for us, that, whether we wake or sleep, we should live together with him. Wherefore comfort yourselves together, and edify one another, even as also ye do." 1st Thessalonians 5:1-11

Let me also mention one more thing. After looking into the drone sightings I came across an article on MSN about how there were people on social media (TikTok) that were HOPING this was an alien invasion or that the government would say this was an alien invasion so that they (government) could declare an emergency.

These folks were hoping to have a repeat of covid and not have to work, pay rent, to receive tons of cash and free food from the government and get a 'break' from the troubles of a society that is bent on going contrary to God, denying their very Creator.

This is very telling, for it wouldn't take much of the government to lie (*2 Thes. 2:11*) for people to be willing to believe it (*2 Tim.*

4:3-4) for their own purposes. So it looks like if the Rapture happened, people will automatically accept whatever the government says, as long as there is a benefit for them!

“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who are perishing, because they did not receive the love of the truth, that they might be saved.” 2nd Thessalonians 2:9-10

Count Your Days

“So teach us to number our days, that we may apply our hearts unto wisdom.” Psalms 90:12

One of the places that we provide a cleaning service for has a couple of pictures of the founding doctors and a brief write-up of their life underneath the pictures.

Both of these doctors were known in the community, at the time, as being good local citizens, both of them having had interesting lives, where they ended up serving portions of the local community in Rapid City, South Dakota, as doctors for years, even delivering babies in this same office building. They have both also passed on from this life to the next.

When I see such things, it reminds me that for each of us individually it is ‘show time’ and what we do now, for we do not know how many ‘days’ the Lord will give us, but our focus as Believers is what, serving Christ for ‘treasures’ that last, I hope?

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves dig through and steal; but lay up for yourselves treasures in Heaven, where neither moth nor rust destroys and where thieves do not dig through and steal. For where your treasure is, there your heart will be also.” Matthew 6:19-21

Just how much more true will this be for any Tribulation Saints who might happen to read this!

Amen!

CIA and the Military

I have been reading this book for quite some time now about the CIA and how it ‘took’ over and controlled portions of all of the military branches, the government, media and even corporations, not only in this country, but around the world.

While I could expound much on this, you could find yourself a copy of *The Secret Team* by Fletcher Prouty, this book was written sometime ago and I would imagine that things are – much- worse nowadays.

Let me just use Donald Trump as an example here. For he put the term ‘deep state’ into the public eye back in 2016. In fact he has proven that the ‘deep state’ exists to all of his

supporters.

Well part of the deep state is the CIA, who has people doing legitimate jobs, acquiring needed intelligence, etc., but also has the capability of doing unauthorized clandestine operations, which in turn allows them to use their assets throughout the military, under the guise of ‘national security’ to avoid scrutinizing eyes, to control the affairs of nations throughout the world, including coups or military alliances that allow our armed forces to be used in even bigger operations.

Pretty amazing stuff and I will tell you that out of all of the agencies that I filed FOIA with several years ago, regarding an incident that myself and my family had, the CIA was the only one that seemed to send an agent our way who made themselves known, even sitting in the lobby of the restaurant I was managing, brazenly taking a photo of me and then this person (whom had followed my wife also walking to the park with my son) disappeared as soon as they had come.

Certainly I do have some sort of respect for this organization, for the CIA is something that I would agree is needed in a modern day society, yet this ‘deep state’ portion of this, that is described in the book that I have mostly read, plus things I have also read over the years regarding the CIA, drug importing, controlling inner city gang leaders (the big ones), etc., shows also those characteristics of being ‘how’ the ‘powers that be’ (*Eph. 6*) may very well use our military in the USA as their tool as part of the revived Roman Empire, being the military force INSIDE the military force to do as these please. The ‘deep state’ of the military.

The Little Horn

“And after this I was looking in the night visions. And, behold, the fourth beast was frightening and terrifying, and very strong! And it had great iron teeth. It devoured, and broke in pieces, and stamped what was left with its feet. And it was different from all the beasts before it; and it had ten horns. I was contemplating the horns. And behold, another little horn came up among them, and three of the first horns were uprooted before it. And behold, in this horn were eyes like the eyes of a man, and a mouth speaking great things.” Daniel 7:7-8

“Then I wanted to know the truth of the fourth beast, which was different from all of the others, very frightening, with its teeth of iron and its nails of bronze; which devoured and broke in pieces, and trampled what was left with its feet, also of the ten horns that were on its head, and the other which came up, and before whom three fell, even that horn that had eyes, and a mouth speaking great things, whose appearance was greater than his fellows.” Daniel 7:19-20

I was thinking about Brandon and his pastor (mentioned in the Watching & Ready ARTICLE that was posted on 12/26/24 on the website). Both of them saying that that were not saying that Trump was the Antichrist, but simply that he –might- be.

Boy, if you want to make a group of Baptist church members mad, just put Antichrist and Trump in the same sentence or speak badly about soon to be President Trump and you will quickly find enemies. There is a Baptist conference that suggested that the Holy Spirit 'blew' the wind so that the bullet missed Trump. Ok, let me not 'dismiss' that, but if that is the case, is it to 'restore' the greatness of America (our 'great' wealth and 'power' is not pleasing in His eyes, our country needs to repent for our extreme wickedness) or is it because possibly Trump is part of God's judgment against a wicked nation and possibly the world???

Well moving on, I thought about this passage in *Daniel*. Here you have these 'ten horns' thinking about our 'leaders' of the world and then you have this 'little horn' that comes up amongst them. So does that mean that this 'little horn' was not really welcomed? Well this 'little horn' has a 'mouth speaking great things' and just what do we appear to have coming into office for the second time, with certain leaders (Bibi) and Orthodox Jews in Israel looking to this same man to rebuild the Temple.

Folks you need to be paying attention and you need to be watching and ready! This ministry is not here to declare to anyone who the Antichrist is or to try and solve all of the end time 'mysteries' that only God will reveal in His own time and according to His will (many of which will not be known to us who will be Raptured out of here), but once-again, when we have a man who is about ready to be in power again, who meets the characteristics that the Bible prophecies that the Antichrist has, then shall we put our hands over our eyes and pretend like we don't see it? Shall we stick our head in the sand? Shall we plug our ears and run around?

Just the fact that a Believer might point out that Trump MUST be a suspect, according to the Bible, not our personal opinions, especially when you understand the revived Roman Empire might be America, and what do we see, the very 'christian' fellowship shuns and attacks any such idea WITHOUT EVEN LOOKING UP ONE VERSE OR READING ONE THING ABOUT HOW SUCH A CONCLUSION COULD BE from a Biblical perspective, then we can just add that very fact to our 'evidence' that Trump may very well be the Antichrist. Time will tell, but are you ready to meet the Lord in the air? (*1 Thes. 4:17*)

"And Jesus, answering them, began to say: Take heed that no one leads you astray." Mark 13:5

Amen!
